CAMP, JOHN L.

BPR # 003030

October 11, 1989

County: White

District: 4

Public censure on October 11, 1989. In his representation of a client, he submitted bills for work not related to his legal representation and for work done after the attorney-client relationship ceased; assigned a contract without his client's clear authorization; negotiated a sale for his client in which he had a personal interest; and did not adequately disclose this conflict of interest to his client. He conditioned the sale upon the purchaser's agreement to also purchase his interest, holding his own interest above that of his client. He issued an opinion letter for his client and later attempted to deny his client the use of the letter, despite having been compensated for writing the letter.
