January 05, 1990

County: Putnam

District: 4

Public censure on January 5, 1990. During the course of his representation of a client charged with DUI, he implied he could get special consideration from his client's arresting officer because he was representing him in a divorce. The client was charged an additional fee which was to be used for the officer's divorce. He also failed to timely respond to requests for information during the investigation.
