SMITH, DOYLE JACKSON JR.

BPR # 004799

March 11, 1993

Public censure on March 11, 1993. A disagreement arose involving a \$7,500 payment to Smith for services to be performed. The hearing panel and trial court, upon appeal by Smith, specifically found that he failed to establish an escrow account, charged an excessive fee for the services actually performed, failed to give an accounting, and failed to refund the unearned portion of the fee prior to the hearing.
