WOMACK, RAMON E.

BPR # 005492

December 07, 1999

Public censure on December 7, 1999. He was employed and paid \$700 to probate the will of his client's sister. He and the client made one trip to the courthouse to attempt to probate the will but he did not have all of the appropriate documents. He never presented the necessary paperwork and nine months later he closed his law office. In the course of closing his law practice, he lost the file which contained the original will. Womack said he would refund the \$700 attorney fee but he later stated that health reasons prevented him from making the refund.
