HILL, CHARLES B. II

BPR # 005809

November 28, 1991

County: Roane

District: 2

Public censure on November 28, 1991. He was retained to file a lawsuit on behalf of his clients and then did nothing on the case. Eventually, it was dismissed for failure to prosecute. Hill then entered into a settlement agreement with his clients to avoid a proposed malpractice lawsuit. He paid part of the agreed settlement and kept the rest, asserting it was owed to him for representing the client's wife in another matter. The Court ordered the remaining monies be paid to the client. The matter was compounded by Hill's continued failure to respond to the complaint filed with the Board.
