KITE, HARVEY TERRENCE

BPR # 005833

October 08, 1998

Public censure on October 8, 1998. While representing a client in the purchase of a home, he failed to pay the back taxes to the City and County even though the client delivered the money to Kite for such a purpose. The client learned of his failure to pay the taxes some 9 months after closing, at which time Kite admitted his fault and agreed to bring the taxes current. When he again failed to do so, the client brought action against him in General Sessions Court and obtained a default judgment. Kite eventually made full restitution to the client.
