NICHOLS, ROBERT E.

BPR # 011084

November 04, 1988

County: Knox

District: 2

Public censure on November 4, 1988. Several complains were filed against Nichols alleging neglect and failing to adequately communicate with clients. Much of the complainants' concern arose when Nichols closed down his practice and went into the military. Some of his clients had difficulty reaching him and finding out about their cases. However, while he was practicing he had a very large caseload and, as a result, he was unable to adequately advise clients as to the status of their cases.
