QUINN, MYRA E. [now Myra Quinn Mart

BPR # 013924

April 01, 1999

County: Shelby

District: 9

Public censure on April 1, 1999. Four complaints were filed. In the first, she was cited several times by the Probate Judge to close an estate that was opened in May 1991, but she neglected the case until after the complaint was filed. The Board filed the second complaint against Quinn for failing to respond to an overdraft in her trust account, resulting in a temporary suspension of her license. After the suspension, she fully responded and the trust account seemed to be free of violations. The third complaint involved a client's payment to her for legal work involving the client's property. She cashed the client's check but failed to return the client's calls, and later prepared the required affidavit of heirship but failed to promptly record it. After the complaint was filed, she located the affidavit, recorded it and forwarded it to the client. Lastly, she neglected her duties as administrator of a client's estate until after a complaint was filed with the Board.
