CLARKSVILLE ATTORNEY CENSURED

On March 7, 2005, Christine Zellar Church, of Clarksville, Tennessee, received a Public Censure from the Board of Professional Responsibility. Church was given notice of this censure and did not request a hearing. The Board censured Church for making unclear statements and failing to clarify facts to the Complainant's current employer regarding whether the Complainant had been fired by her two previous employers. Church's actions violate Rule 8.4(c) of the Tennessee Rules of Professional Conduct and for these violations the Board censures Church. The censure declares Church's actions to be improper but does not limit her right to practice law.
